## **The Knotty Pine History**

The Knotty Pine has been an Auburndale staple for approximately 100 years. It is a family style diner operated by Bill, Nick and their mother Toula for the past 30 years. As a family owned business they have been able to preserve tradition while offering a great atmosphere, constant sports talk and keeping up the reputation for “Best Homefries in Town.” This is the type of place where customers are always welcomed and recognized. They will enter as friends and leave as family.
